RAPIDES PARISH FIRE DISTRICT NO. 12
PARISH OF RAPIDES

Attn: Kathy Allen

The Board of Commissioners of Rapides Parish Fire Protection District No. 12 requests your opinion on hiring Lee E. Stanley as Chief of Fire District No. 12 on a part-time basis. Fire District No. 12 is completely a volunteer one, and it is time consuming for a Chief to keep all the equipment in its best condition and staying up with PIAL (Property Insurance Association of Louisiana) requirements. The duties of the Chief is to keep all equipment inspected and serviced as required, all trucks operational and serviced as needed, and when they need servicing, hire someone to perform this work, plus being a liaison between the firemen and Board keeping them abreast of current conditions.

If there are other conditions pertaining to hiring a part-time chief, please send us the information. Your help in this matter will be most appreciated.

Sincerely,

Steve Halbert
Assistant Chairman
